The Campbelltown–Macarthur Collaboration Area commenced in 2019, when the Commission brought together over twenty organisations from government and non-government sectors to help develop the shared vision and priorities for the Place Strategy. The Place Strategy was released by the Commission in March 2020.
Highlights from 2020

| Governance established | Strategic transport initiatives commenced | Funding secured for the Macarthur Medical Research Centre (MMRC) |

By working together, the core group members are addressing the Place Strategy themes including:

**Governance** – by establishing an ongoing governance structure and terms of reference for the Steering Group.

**Connectivity** – by developing a brief for the Place-Based Transport Strategy and planning for the Rapid Bus connections between Western Sydney Airport and Campbelltown.

**Liveability** – by integrating Healthy Streets into the Place-Based Transport Strategy.

**Productivity** – by progressing Campbelltown Health and Education Precinct with funding for the MMRC, and by securing joint funding for a strategic business case for an expanded Community and Justice Precinct.

**Sustainability** – by integrating Water Solutions into current projects.

Outlook and opportunities for 2021

Over 2021 the Campbelltown–Macarthur Collaboration Area Governance Group intends to focus on four priority outcomes:

1. **Establish an enduring precinct governance** – maintain collaboration between partners and focus on delivering agreed priorities.
2. **Improve connectivity and public transport** – deliver the Place-Based Transport Strategy incorporating Healthy Streets.
3. **Cool the City Centre** – investigate an integrated water solution to a real project and develop a public domain plan with a focus on enabling the Blue-Green Grid and Healthy Streets.
4. **Centre of opportunity** – complete the Strategic Business Case for the Community and Justice Precinct, progress planning for the Macarthur Medical Research Centre, and support the establishment of a Southern Strength Manufacturing Network for the Campbelltown area.
