

INDUSTRIAL LANDS POLICY REVIEW - PRECINCTS

For Phase 1 study of the Industrial Lands Policy Review, data analysis for the 159 'Retain and Manage' precincts across Greater Sydney is being undertaken. The analysis will outline and examine the diverse functions of these precincts and consider how the function serves the City's current needs and likely future needs. The analysis will include a fine grain investigation of a representative 'cross-section' of 20 selected precincts, as set out below:

Precinct	District
Alexandria	East
Marrickville	East
Mascot	East
Flemington	East
Gladesville	East
Berrys Bay, North Sydney	North
