Quorum

There being a quorum present, the Chair declared the meeting open at 9:02 am.

Owing to the availability of some members, the Chair advised a change to the order of Agenda Items bringing forward Agenda items 8 and 9.

9 Working drafts of Place-based Infrastructure Compact Pilot documents for public consultation and Government consideration

Ms Allen gave a presentation on the Greater Parramatta and Olympic Peninsula (GPOP) Place-based Strategic Business Case (SBC)

Ms Camilleri spoke to her paper.

The Board resolved to:

1. Note the working draft PIC Pilot Results for GPOP paper, which is proposed for future non-statutory public consultation and consideration by the NSW Government.

2. Note the working draft of the Thought Leadership paper that supports the PIC Pilot Results paper and is proposed for future non-statutory public consultation by the Commission.
3. **Note** that the final draft PIC Pilot Results and final draft Thought Leadership papers will be circulated out of session to the Infrastructure Delivery Committee (IDC) GPOP Sub-committee and the Board seeking approval to include them in a submission to Government on the GPOP PIC and Strategic Business Case.

4. **Note** that the proposed submission to Government and draft public consultation documents are pending feedback from Ministerial pre-briefings in July and August 2019 and from Government.

5. **Note** that the draft GPOP Investment Prospectus is proposed for joint public release with the draft PIC consultation documents.

The Board also **resolved to action** the following:

1. Ensure all election commitments are addressed in the PIC and the public facing documentation.

2. Reference the opportunity to appoint a Chief Coordinator for GPOP in advice to Government Submission.

3. Present the GPOP PIC and SBC Pilots to the Secretaries Board for their consideration prior to being submitted to Government.

4. Circulate the SBC Outcomes Framework to Board members.

---

**8. The Pulse of Greater Sydney**

Ms Barker spoke to her paper.

The Board **resolved to**:

2. **Approve** the simultaneous technical updates to the Commission’s Greater Sydney Dashboard, including interactive context data and performance indicators.

3. **Approve** delegation of authority to the Chief Commissioner and Chief Executive Officer to authorise any minor modifications to the draft Pulse as it is finalised for publication.

4. **Note** that the development of performance indicators by the Commission fulfils Action 14 of the Greater Sydney Region Plan (GSRP).

5. **Note** that reporting on the Actions of the GSRP and District Plans fulfils statutory requirements for the Commission under Division 3.1 (3.3, 2) and (3.4, 3) of the *Environmental Planning and Assessment Act 1979.*
The Board also **resolved to action** the following:

1. Provide commentary in the Pulse on the desired direction for indicators to head in the future to demonstrate the successful implementation of the GSRP.

2. Invite Mr Glenn King, Secretary, Department of Customer Service to a future IDC meeting to discuss coordination of data collection and data sharing across Government.

3. Ensure the Pulse is consistent with common planning assumptions moving forward.

4. Meet with the DPIE to explore opportunities for the Pulse to be replicated in Wollongong and Newcastle.
