

Draft South District Plan

Submission_id: 31816

Date of Lodgment: 16 Dec 2017

Origin of Submission: Online

First name: don

Last name: Page

Suburb: 2232

Submission content: I object to the continuing exponential growth of population, overdevelopment and flow-on consequences planned by the Greater Sydney plans. Essential infrastructure such as trains is at saturation with the existing population, effectively. Likewise traffic growth and urban sprawl are unsustainable, as proposed by your plan. Unsustainable urban growth in Australia must stop. Sydney is now full, and policy must reflect that. Sincerely, [REDACTED]
